CLASSMATE

THIS BOOK IS

THE PROPERTY OF

EX LIBRIS

June 2, 1961.

Dear Classmate:

Remember when.... the days were long and golden (!?!). .... we spent around in a happy daze, blissfully unaware that there was another world than ours... and we did nothing but sit and wonder aloud if we could crack a B in Government, or send the Maroons home beaten all to heck?

Ah, but we didn't know the half of it, so young and innocent we were. Somehow, somewhere, we got the idiotic idea that once you had struggled through thirteen years of 'learnin' all your troubles vanished. The "outside world" was just a rosy haze, and after entering it one could waltz through life with a song.

Ten years since then, and how the picture has changed! Now we know what it is to work, to worry about income-tax and we are fast-finding out that "blood, sweat, and tears" are more than three little words.

But such is life, and it is nice remembering.... suppose we had gotten together all our treasured (?) memoirs, I imagine they would have run something like this.....

## Senior Class Officers

Donald King, Gordon Nelson.

## Class History

For some the years went fast, for others slow, but for all they were happy years. Remember when we were freshmen? That was our salad year (green and mixed up). Eighty three members strong we were, coming to S. H. S. from Mellen, Stephenson, Cedarville, Ingallston, Lake and Holmes townships.

With head down and hand raised (Indian fashion polls) we elected our officers. They were:

President-Tom Bolen  
V. President-Joyce Macco  
Secretary-Elaine Jardeen  
Treasurer-Philip Carroll  
Student Council-Julia Paul  
Philip Carroll-David Carlson

(Continued, next page)

As we delve into the past of the class of '51, memories galore pop out at us. Number one is our first class party. We were sent off to the Nadeau roller skating rink on what was to be the beginning of many more parties of that kind.

As time marched on so did the class. In 1948 we moved into the spotlight as Sophomores. What a happy and eventful year that was! The attendance books of Miss Husby and Mr. Sundquist, our teacher advisors, credited us with a total of 74 members.

This year our officers ran as follows:

President-Clarence Hultman  
V. President-Jeanette Gruenstern  
Secretary-Jane Beyer  
Treasurer-Elaine Jardeen

Shirley Strom and David Carlson returned to sit in the student council as representatives of our class.

In '49, our Junior year, the Carney-Nadeau and Daggett High Schools added 43 new members to our class raising our enrollment record to 117 and the highest in the school.

The majority rule gave us.....

President-Clarence Hultman  
V. President-Sylvia Poupore  
Secretary-Janice Winter  
Treasurer-Shirley Strom  
Student Council-Marlyn Phillips  
Robert Weber-David Carlson

.....as our officers.

This year brought many new adventures for us. First on the list was our Junior play Miss Adventure. Under the direction of Mrs. Weigand and Mr. Sundquist, we had it ready to present to the public and school on March 31, 1950.

Palm trees, dimmed colored lights, soft music and wall scenes by Hawaii's shores staged the setting for the biggest event of the year, the Junior-Senior prom.

The difficulties and trials, pleasures and rewards were shared by our two class sponsors, Mrs. Weigand and Mr. Sundquist.

1951 and all has turned out well. 101 Seniors, weary, but happy, maybe a little sad at the thought of leaving school (?), but proud of the idea that we have just passed through a very important phase of our life. Successful or otherwise it has been fun. Where we started out as green freshmen, we are now dignified Seniors.

Under the leadership of.....

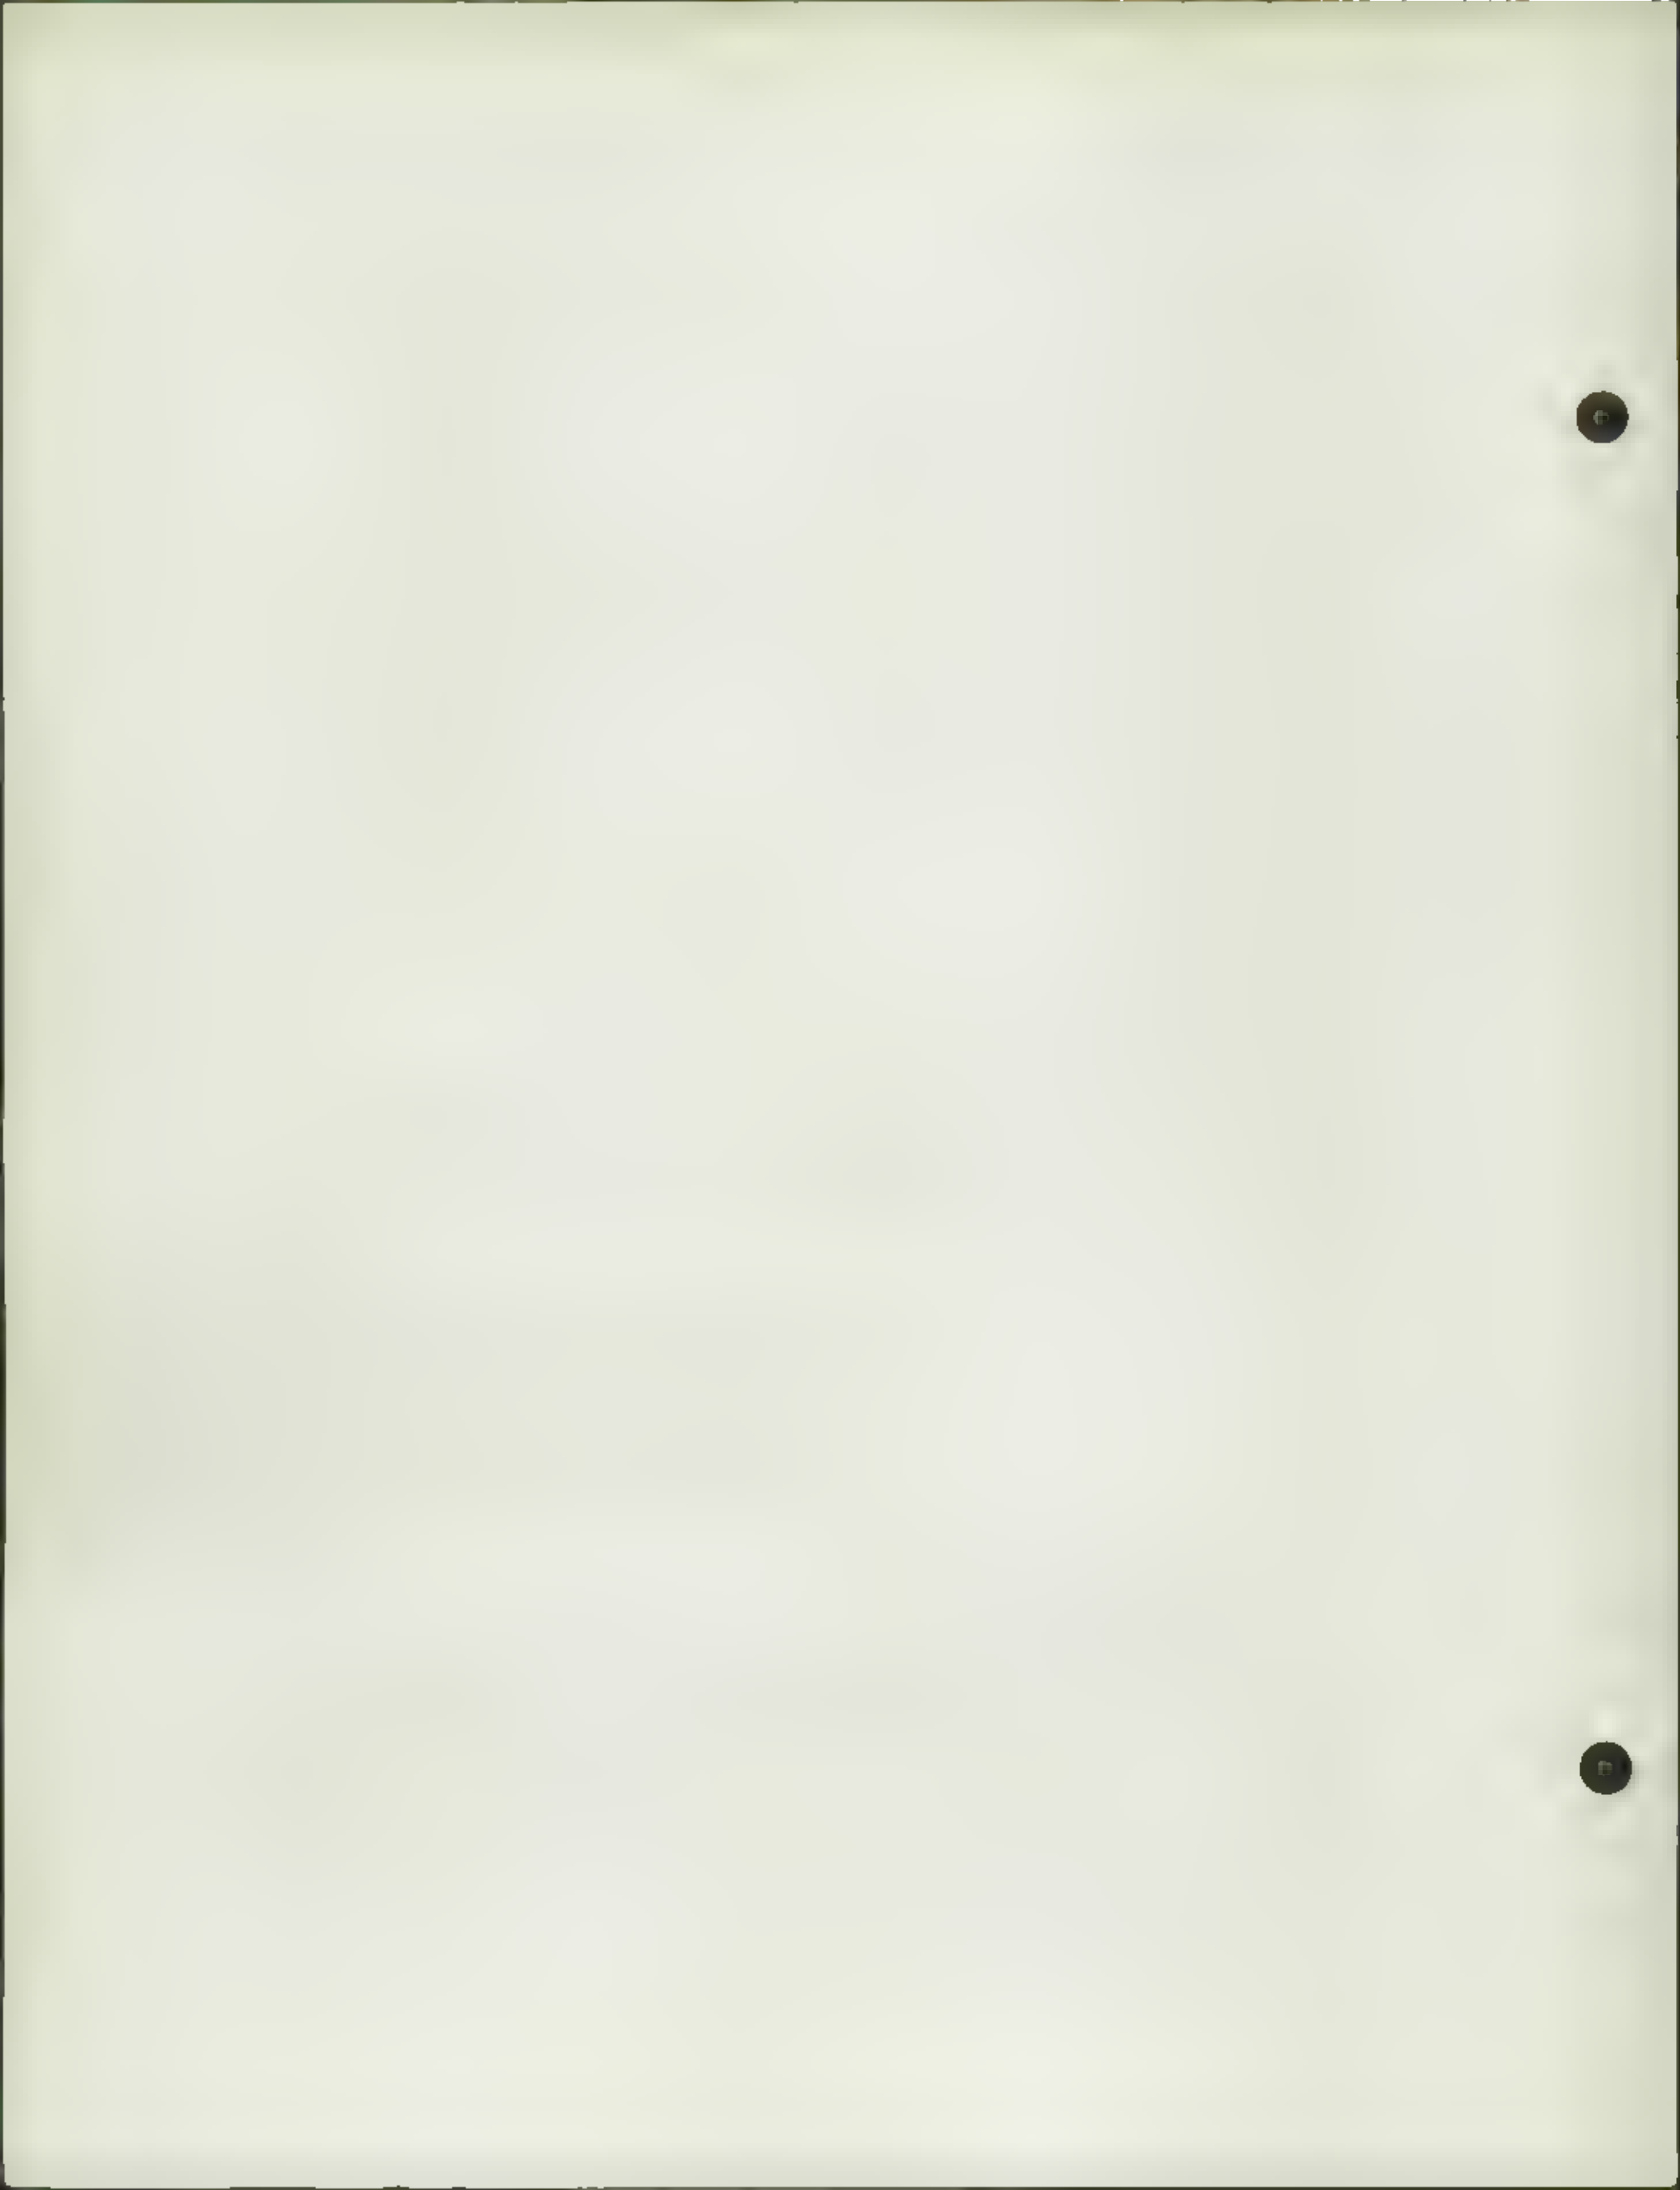

President-Gordon Nelson  
V. President-Michael Michnick  
Secretary-Donald King  
Treasurer-Carol Kayser  
Student Council Representatives  
Robert Weber-Florence Kalackas  
Michael Michnick-Richard Rivard

.....we plunged into a play, carnival, class party, pageant, trip, yearbook and some dances.

With the capable assistance of Mr. Short, Mr. Sundquist and Mr. Knoll, our advisors, we were able to come out on top.

It's now May 29. And with the white and blue of our gowns, red roses, and the motto "Today we follow, tomorrow we lead," we draw the golden curtain of success on the Senior Class of '51.

## Senior Statistics

In looking over our outstanding Senior Class of '51, we found a few interesting facts. We have reached the ripe old age of 1,775 years, or almost 18 centuries. The average Senior is 18 years old. Our total weight is 14,708 pounds, or 7 1/3 tons. The average boy weighs 158 pounds, and the girl, 134. Our total height is 563' 10", making the average Senior 5'7". Now get this, 3,000 inches of waistline, terrific!! But our feet really aren't so big, 7 1/2 being the average shoe size. No one can say we aren't well equipped when it comes to canines, bicusps, and molars, with a grand total of 2,957 teeth!! In the Class of '51 the majority of the Seniors have brown hair and blue eyes, although quite a number claim those beautiful brown eyes, too!!

# ACTIVITIES

# Senior Play

The Seniors presented as their class play, "AMAZING GRACIE", which was a "whooping" success in more ways than one!!!!

Rosalie Phillips was cast as Gracie Underwood, a career girl, who couldn't even boil water. It was amazing the "fibs" she could tell when she got caught in a jam, but in the end her lies caught up with her, when she came down with the whooping cough.

Douglas Nordin portrayed Gracie's husband Tyler, a young medical student, who before the final curtain went down played a charming widow, Clementine Clatterbuck, and the mad surgeon, Dr. Kilbury Coffin.

Horatio Helfrey, Ty's rich uncle, a Health-Biscuit manufacturer was Robert Weber. Patricia Woessner was Gracie's wealthy Aunt Tallulah, a neurotic spinster, who had a disease phobia. Darius Damrock, Gracie's boss was portrayed by Gordon Nelson. These three were bitter enemies and finally met when they visited the Underwood home at the same time.

Farina Fudd, the hillbilly maid with the Ozarkian twang in her voice was portrayed by Ruth Bagley. Her cigar-smoking boy friend, Butch Brisco (Edward Freis) worked as a guard in the asylum near the Underwood home.

Shirley Strom and Michael Michnick were cast as Negroes, Rainbow Batts (the Underwood's cook) and Piedmont Jones, the handy-man, who always had a

pain in his "stom-mick" when there was any work to be done.

Julia Paul was Mrs. Spicer, a nosey widow from next door who was constantly keeping a "peeled eye-ball" for a man. Her daughter Dodie, (Jeannette Gruenstern) was a smart-alecky brat of twelve who had the whooping cough.

Alois Knoll directed the play.

## SENIOR CARNIVAL

The Senior class sponsored their carnival this year on March 31, 1951. Booths offering every attraction from marriage to telegraph service, cake walk to fish pond, divorce bureau to spook house lined the floor. Seniors with the gleam of success in their eyes, lured helpless spectators to gamble on bingo and other games.

The main attraction of the evening was the crowning of the King and Queen, James Casebeer and Joann Carroll, Freshman candidates elected by popular vote.

## SENIOR PAGEANT

The annual Senior Pageant was held on May 24, 1951. The Pageant is written by the participating class members, with advice and counsel of the faculty.

This year the changes which have taken place in Dress and Song in America were depicted according to the following divisions.

- I. Colonial Period
- II. Westward Movement
- III. Gay Nineties
- IV. World War I
- V. Depression
- VI. Recent Trends

The Eagles opened the season at home on the newly lighted Sawbridge Field in the first night game ever played in Stephenson. Sporting a light, fast team, they were a well-oiled machine after two weeks of pre-season practice under Coaches Gernand and Cappaert.

The Eagles played the MANISTIQUE EMERALDS on even terms until early in the second quarter, when Ken Hofer scored, going around right end from ten yards out. Swede Anderson converted. Late in the second quarter Hofer intercepted an Emerald pass and ran it back 60 yards for a touchdown. In the third quarter, Hofer, going around end revised his field and raced 65 yards for his third touchdown. Anderson again converted and the Eagles led 21-0. Then the Eagles let up and Manistique scored late in the quarter on a sustained march. The Eagles then went to work and Anderson passed to Ray Blom for the fourth Eagle touchdown. Stanley Luczkowski scored the extra point for the first Eagle win, 28-6.

The next week the Eagles traveled to Marinette to meet the LOURDES SHAMROCKS on Lauerman Field. The Eagles, being a little too confident, were not too sharp in their blocking and defensive play. They got first blood in the second quarter on a pass from Pat Moran to Ray Blom in the end zone. Swede Anderson plunged for the extra point, and the Eagles led 7-0 at half time. In the third quarter Ken Hofer broke over right tackle and sped 65 yards for a touchdown. With about 56 seconds remaining, Lourdes scored after a long march downfield. The attempt for the extra-point was blocked and the Eagles came away with their second win, 14-6.

The following week the inevitable happened to the Eagles at CRYSTAL FALLS. Outplayed in all departments, the Eagles suffered their first and worst defeat of the season. The Trojans scored in all four quarters, the first on a 35 yard touchdown pass. In the second quarter the Trojans marched 65 yards for their second touchdown. Late in the second quarter the Eagles looked as though they might make a comeback when they marched to the Trojan 20. Hofer lateraled to Anderson, who went 12 yards to score. The attempt for the extra-point failed. In the third quarter the Trojans marched 45 yards for their third touchdown, and a pass interception in the last quarter gave them another touchdown and a 28-6 win over our Eagles.

The Eagles then returned home for a game with the MUNISING MUSTANGS. The Eagles, playing better ball in the first half than in the two previous games, led 12-0, when Ken Hofer scored on a pass from Pat Moran; a bad pass from center spoiled the extra point. Late in the second quarter Hofer intercepted a Mustang

pass and ran it back 80 yards for a touchdown; again a bad pass from center spoiled the extra point. In the second half, the Mustangs came back with fight and scored twice on sustained marches before the bewildered Eagles could come to life. Again in the last quarter the Mustangs scored after scooping up Hofer's fumble and returning it for a touchdown, to clinch the game and hand the Eagles their second loss of the season, 19-12.

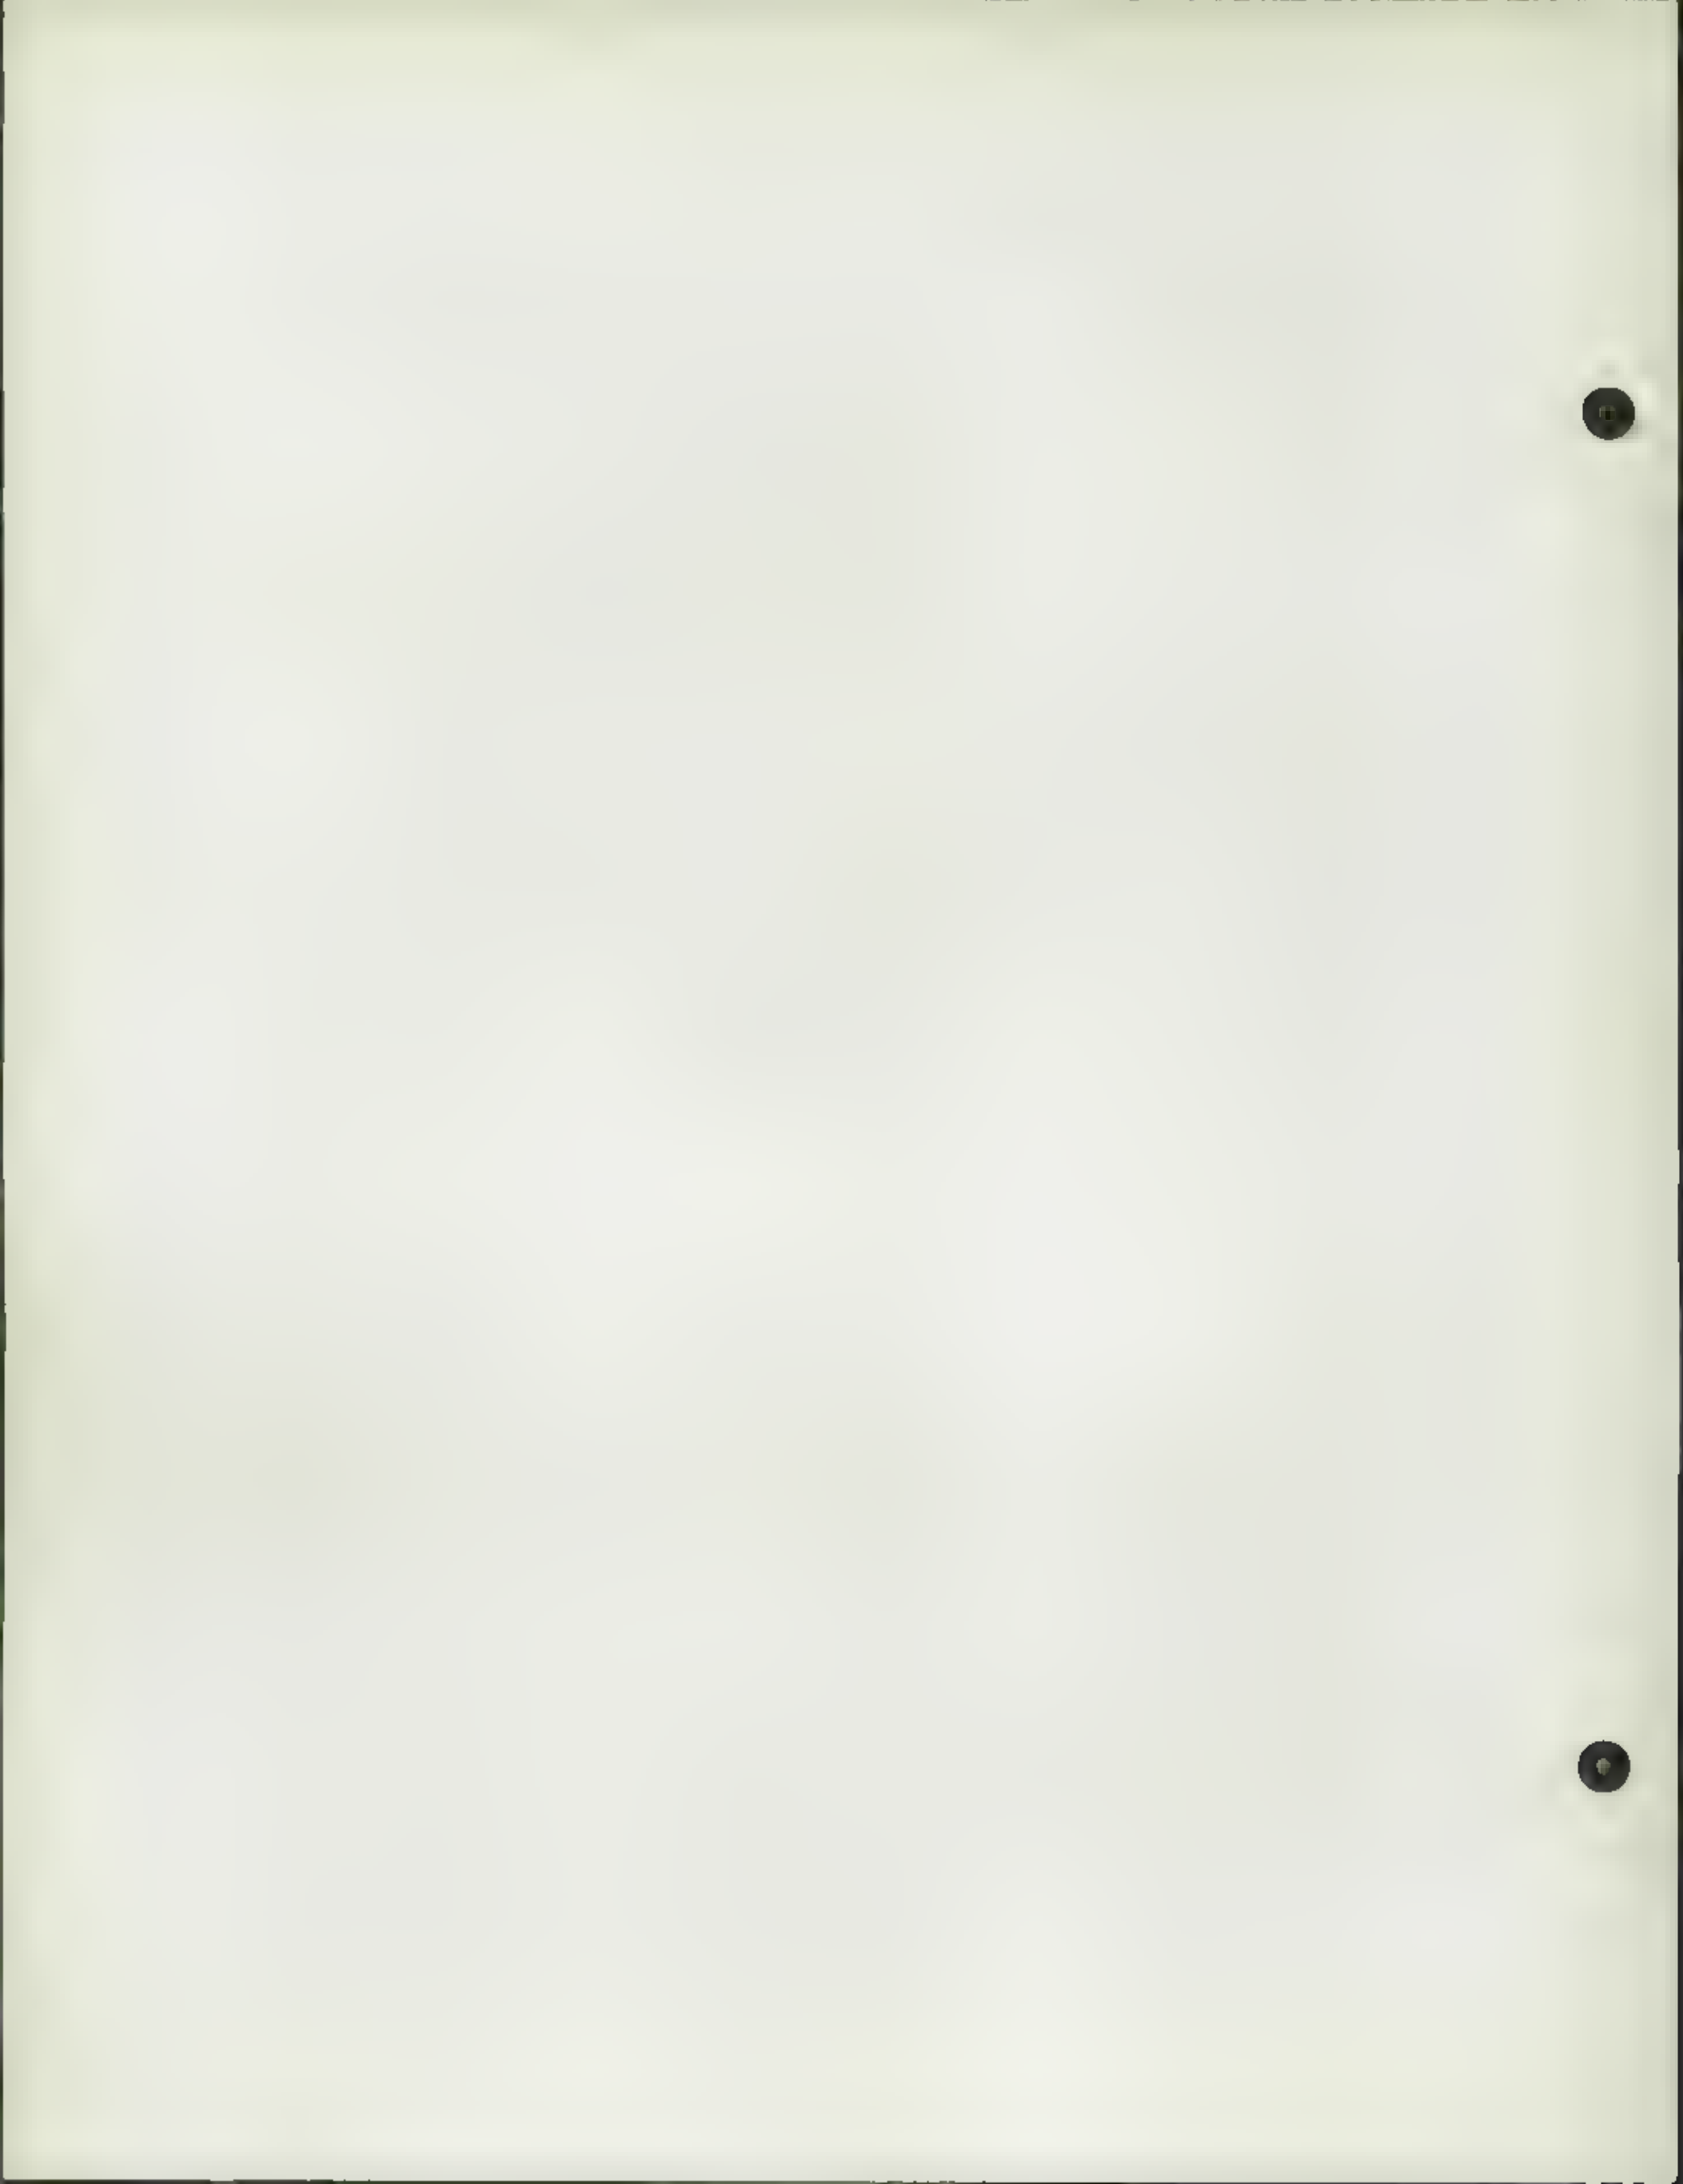

The next week the Eagles got back on the winning side, downing an out classed BARK RIVER team 43-0. It was Ken Hofer who went around right end to score and put across the extra point. On the kickoff Bark River fumbled and Harold Schlenvogt returned it to the 23. Pat Moran scored four plays later, going inside tackle. Hofer ran the extra point. Just before the half Ray Blom scooped up a fumble and returned it for a touchdown and a 21-0 half-time lead. Harold Schlenvogt blocked a Bronco punt in the end zone for an automatic safety and two points. After the kick-off from the 20, Hofer returned it to the Bronco 23; four plays later Moran scored going over tackle. Ken Poisson scored the extra point. In the fourth quarter Stanley Luczkowski went over from the seven for another Eagle touchdown. Poisson again scored the extra point. After an interception, Luczkowski scored from the five and made the final score read 43-0.

Inspired Eagles won their Second Annual Homecoming game. In the first half it was all PESHTIGO, when a bad pass from center rolled into the end zone and was recovered by the Bulldogs for a touchdown. The attempt for the extra point was wide. Then in the second quarter the Bulldogs fumbled on their own 16 and the Eagles recovered. Two plays later, Pat Moran went 16 yards for a touchdown and tied the score at half time, 6 all. Ken Hofer fumbled the kick-off and a Bulldog scooped it up and returned it for a touchdown and a 12-6 lead. In the last quarter, the Eagles found their spark as Ken Hofer swung around right end behind some sharp blocking by Phil Carroll and Swede Anderson, went 20 yards to tie the score. Moran rambled up the center for the extra point. With time running out Peshtigo fumbled; nine plays later Moran went through the middle for the third Eagle touchdown and a 20-12 Homecoming win.

The Eagles played host to the GLADSTONE BRAVES the following week, and had it their own way most of the game. They scored on a pass from Pat Moran to Ken Hofer, who rambled 35 yards; Moran plunged for the extra point. The Eagles blew five chances to score, on penalties, fumbles, and quick whistles. In the last three minutes, Gladstone came to life when one of the Braves ran 54 yards to the one and scored after the second attempt; good placement tied the score at 7 all. The Eagles took to the air in the last 60 seconds. Pat Moran passed to Hofer on the Braves 28, then faded and tossed him another on the 19, and ran away from four Braves to score another victory, 14-7.

Next the Eagles traveled to Escanaba to meet the ST. JOE TROJANS on foggy Memorial Field. It was the Eagles turn to click, and they did. Ken Hofer broke away 40 yards for the first Eagle score and then plunged for the extra point. After an exchange of punts Dick Dziedziec scored on an end around play which had so much deception that three of the backs who didn't have the ball were ruckled. Early in the second quarter St. Joe scored after a long march, and converted. This was their only threat. The Eagles marched back 70 yards to score, Hofer going the last 10 for the touchdown. Pat Moran plunged for the extra-point. Just before the half, Pat Moran broke away for 15 yards and a touchdown. Hofer went over for the extra-point and the Eagles led at the half, 28-7. The Eagles continued to pile it on, Hofer returned a punt 50 yards to the Trojan 7 and scored two plays later. Swede Anderson led a drive and went the final 14 yards to score, and convert for the extra-point. In the last quarter, Roger Lundquist pitched a neat jump pass to Pat Moran who went 41 yards for the touchdown. Late in the quarter, the Eagles got flashy and used their "T" formation on the Trojan 35 yard line; in five plays Francis Mellinger went over on a quarterback sneak for a 53-7 score.

The Eagles returned home to play ST. NORBERTS of DePere and close the season with a 6-0 loss. The Squires won the game in the first quarter on a 46 yard pass. The attempt for the extra-point was blocked. The Squires threatened in the second quarter, but Hofer ended it when he stole the ball on the 5 yard line. The Eagles came to life in the final 2½ minutes when they drove from the Eagle 30 to the Squires 25 yard line, when time ran out and handed the Eagles their third loss 6-0.

# Basketball

The Eagles deserve a lot of credit, even though they ended the season with only 4 wins and 12 losses. Having lost five seniors from last year, Coach Gernand had to rebuild the team around Mike Michnick, Ken Hofer and Ray Blom. This was one of the years when basketball material was scarce and the reserves got to play almost as much as the first five.

Tournament  
 Finals: Gladstone 49 - Escanaba 43

Limited space permits giving only a description of our four victories.

The Eagles played host to Bark River in the first home game of the season. The Broncos led at the half 21-18 and in the fourth, with about 55 seconds remaining the Eagles scored 7 points to come from behind and win, 37-36.

The next of the Eagles brilliant games came when they traveled to Escanaba to meet the Eskimos. The Eagles led during most of the first half and were ahead 23-20 at the half, but faltered in the deciding third quarter out-scored 16-10. A rally in the final minute fell one point short of tying the score.

The next Eagle victory came from Peshtigo as the Bulldogs invaded the Eagles nest. The Eagles trailed at the end of the first quarter 7-6 but then started to click with 24 points in the second quarter with some nice passing and a good floor game. In the second half the Eagles increased their lead by 3 and matched the Bulldogs point for point in the last quarter. They showed what team work could do as 4 of the first 5 scored at least 12 to 19 points.

The Eagles traveled to Powers to meet the Tigers. The Eagles were hitting on all five and built up a 30-18 score at the half. In the third quarter, the Eagles added 5 more points to lead as the reserves coasted in, 53-36.

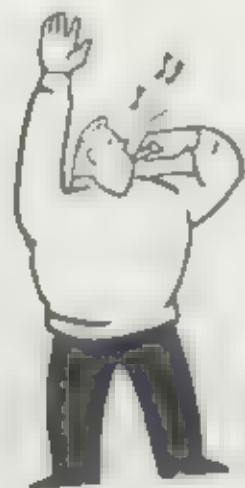

The Eagles received their last win of the season from Bark River in the second meeting. The Eagles, showing that they had improved during the season, led at half time 17-9. The Eagles increased their lead and the reserves who were brought up from the J V's finished the game.

The J V's won their own Reserve Team Tournament by defeating St. Joe and Menominee in the first and second games. Gladstone was forced to forfeit due to illness.

BOTTOM ROW—R. Parrett, D. Hormung, P. Woessner, F. Kalackas, J. Johnson, C. Fellion. TOP ROW—R. Meintz, M. Nelson, R. Rabitoy, Miss Kleeberg.

### *Girl's Basketball Team*

In their second year of playing, the EAGLE CHICKS had tough luck as they evened up the season with two wins and two losses. The first game was with the St. Joe girls for the first loss in two years. They then traveled to Carney where they defeated the Carney girls 47-27. The Chicks next played a game with the so-called "Mystery Women", which consisted of three teachers and three town women, and defeated them in the funniest game of the season. Their last game they motored to Escanaba for a return game with the St. Joe girls, and for the second time were defeated.

The girls' team was organized last year for the first time since 1929.

IT HAS BEEN SAID

"The men who build the future are those who know that greater things are yet to come, and that they themselves will help bring them about."

This is an individual challenge to each member of the Class of 1951. What tomorrow brings will depend on how much each of you meet this challenge.

The officers and personnel of the Bank of Stephenson offer you the facilities of their institution in helping you meet your problems.

Our Very Best

Wishes

To all of you on the completion of your school year.

A very special "good wish" to the Graduating Class.

It has been our privilege to know a great many of you

and your families in a very personal way. For that

reason we feel that our sentiments are very personal,

indeed.

The opportunity to choose your own way of life.....to

study the things you want, to enter a life work of

your own choice is one of the many evidences of true

freedom that exist because we live in a country where

free choice is a heritage. So long as we all appre-

ciate this freedom, it will be forever ours.

Sincerely
